(Slip A)

Rangiah son of Horakenappa
and Hanumanthiah son of Hithalunare
Rangiah petitions this office representing
that during the Znam Settlement in
the year 1868, certain Znam lands
alleged to be in the enjoyment of their
family since 1800-02 for rendering
service in the Sri Lakshminarasimha
swamy temple at Horakere-devanapura,
Hobalkere Taluk, were confirmed as ~
Service Znam lands for presenting
flowers ~~to~~ and watching the temple

and Title-deeds were granted in the name of private individuals, that after the death of Horakerappa and Rangiah, the Pattas of the above lands were ordered to be registered in the name of the temple. They prayed that the Pattas of these lands may be ordered to be transferred to their names. The records produced by them are (3) title-deeds which show (Sup B) that certain lands were granted in the name of ^(Devadaya Service) private individuals for rendering service in the temple, but no record has been produced to show that these lands were granted in 1800-02.

This petition ~~was~~ ^{was} forwarded to the Dy Commr of the Chitaldrug Distt., and that Officer has submitted a detailed report thereon together with the vernacular records, on the subject.

The Dy Commissioner reports that the title-deeds are in the names of * nos ^(Sup B) 25, 34, 35, 36, 3 Rangiah, Horakeriah and others, that ~~dated~~ 8th October 186

The Dnam Superintendent to whom a reference was made on the subject, states that at the Dnam Settlement, the Dnams have been settled in the name of the "Dnam" with the service (Paper under the holders' names as managers or service-dars, and is of opinion that the Title Deeds of the lands should stand in the name of the temple, the necessary entries being made in the village accounts whenever there is any change in the personnel of managers or service-dars. From the extract of the Dnam Register received from the Dnam Super^r, it is observed that these lands are shown as "Dnamayor," ~~subscribed~~ and in column 15 of the Reg. it is stated that the Dnam is specially enjoyed by Rausiah & Hora Keriak

Sir,

With reference to your docket N° 1813

report petition from the devotees of
Sri Lakshminarasimhaswami Temple
at Horakere devanapur in the Holalkere Taluk
complaining against the registering of the

the Vernacular Correspondence received
with the year N° 1912 dated 15th May 1907
from the Assistant Commissioners, Davangere
and to state as follows. —

The title deeds produced by the petitioners show that the lands in question were granted in the name of private individuals for rendering certain services in the temple. Rangiah one of such Khatedars died and a Vargalabdil list was placed for orders before me when I was in Charge of the Davanagere Sub Division. On a reference to the register of Muzrai Institutions endowed with Inam lands in the Holalkere Taluk received with your No 879/6-97 dated 16th December 1901, I found that the lands in question stood not in the name of any private individuals but in the name of the temple itself. Hence I directed the transfer of the Khate in the name of the temple and the mention in Khate of the names of the deceased Khatedar's heirs as managers. I do not consider that this change will in any way affect/prejudice the rights of the petitioners, as they

Rangiah and Hanumanthiah
represent in their petition
read above, that during

the year 1868, certain
Zam lands ^{which were} ~~advised to be~~
in their enjoyment for a
long time past for rendering
service in the Sri Lakshmi-
narasimha Swamy temple
Holekeredenara Puram,
Balkere Taluk, were confirmed
as ^{Devabaz} service Zam lands

and ^{that} little deeds were
granted in the names of
^{their ancestors} ~~private individuals~~; and
that after the death of
appa and Rangiah,
Sattas of the above
w be

registered in the name of

that the titles of the
lands may be transferred
to their names. The Dy
Commissioner of the District
to whom the
above petition was forwarded,
reports in his letter read
above, that the title-
deeds produced by the peti-
tioners showed that the lands
in question were granted
in the name of private
individuals for rendering
certain services in the
temple; that after the
death of Rangiah, one of
the Khatedars, when a
Vangatabdil list was placed
for orders before him,
~~(the Dy Commr.)~~
he found on a reference
to the Register of religious
institutions endowed

am lands in the
Lalkere Taluk, that the
lands in question stood
not in the name of
private individuals, but
in the name of the temple
itself. He further states
that he consequently
directed the transfer of
the Khate in the name of
the temple and ^{that} ~~the~~ mention was made
therein of the deceased
Khatedars' heirs as
managers and ^{he} is of opinion
that this change will
in no way act prejudicially
to the rights of the
petitioners, as they will
not be deprived of
the possession of these lands
so long as they render
the required services
in the temple. The
D.A. Superintendent
~~who~~ was coun

matter, states in his letter read above, that - at the Inam Settlement the Inams ^{were} ~~have been~~ settled in the name of the "Dewan" with the service holders' names as managers or serviceholders and that ~~as ordered by~~ ~~in accordance with the opinion of the Deputy Commr.,~~ the title deeds of the lands should stand in the name of the temple, the necessary entries being made in the village accounts whenever there is any change in the personnel of managers or serviceholders
